Thanks to Gordon Church for his help with the clubhouse bathroom painting.

Clubhouse Rentals!

Improved facility! With the new blinds, fire-place screen and various other elements, the clubhouse is in great shape. There are two television sets that have been set up for use during all rentals. Local channels are available on one and games and/or DVD/VCR players can be used on the up-stairs set.

Reserve the clubhouse for your next business or social event. We offer low rates and a convenient location.

Take advantage of this MWP privilege! See the calendar on the MWP website at meridianwoodspark.com to check availability.

Call Ann at 784-2872 to schedule the clubhouse!

Playground/MWP Garage Sale

The Playground Committee will once again be involved in the MWP neighborhood garage sale raising funds that will go toward maintenance of the playground equipment and area. If you DO NOT plan to have your own sale please donate any items that you do not need or want to the Playground Garage Sale. Call the clubhouse for more information.

Social Event Organizers

MWP is seeking residents who are interested in helping organize Social Activities for the neighborhood. We are in need of someone who loves the 4th of July. Our 2012 chairman did a great job but needs help with the parade and picnic held immediately afterward.

Do you like the Indianapolis Indians? Pick a date and let's all go out to the ballgame. The Indians' have some great group rates.

The Pacers also have group packages. Info at the Clubhouse.

How about a neighborhood picnic or Mom's Morning Out? If any of these interest you please contact Ann at the clubhouse.

March Gardening Tips

- Take a little time to prepare the vegetable garden soil for planting. The addition of well-rotted manure, processed manure, peat moss or compost are good additives for building compost humus in the soil.
- Peas and sweet peas may be planted right now as well as perennial vegetables like asparagus, rhubarb, horseradish and artichokes.
- Eggplant, brussel sprouts, cauliflower, celery, leeks, onions, early potatoes, and radish seeds may be planted in the garden about mid month.
- Spinach, chard, cabbage, cauliflower, and other hardy vegetables can be seeded or set out late in the month.
- Plant strawberries, blueberries, currants, loganberries, boysenberries, grapes, and fruit trees.
- Add some steer manure around your rhubarb.
- Time to start tomatoes, lettuce, and many other vegetables from seed.

Neighborhood Notes

- Outdoor furniture and accessories are always needed at the clubhouse. When you are spring cleaning keep us in mind for the clubhouse and the Garage Sale.
- As winter leaves us debris accumulates in the streets and drains. Please be a good neighbor and help keep them cleaned out.
- Chuckholes on your street or court? Call the Mayor's Action Line at 327-4MAC. Maybe with a few more calls....we will get some action!

In The Hood

Clubhouse Break In

As many of you know or have observed, the Clubhouse was broken into a couple of weeks ago. There was damage to both the front and back double doors, the computer was stolen and the office ransacked.

If you have any information regarding the break in please contact Ann in the clubhouse.

Thanks to those who notified Board members about the break in. We need to be aware of all cars and people who pass through MWP. 99% are just passing through, visiting or live here but it only takes one or two to violate our private paradise.

All of the information (including emails of residents) was lost. Ann is starting to input data and would like residents to email her with a note referencing this request so she can add emails to the contact list.

Meeting Notice

The monthly meeting of the **MWP Neighborhood Association** is held on the 2nd Monday of the month at 7:00 pm. **ALL RESIDENTS are invited and encouraged to attend to find out about the projects the Board is currently discussing.**
