**Daytime Euchre will start again on Wednesday, August 6. Play will begin at 1:00 pm and end at 3:00 pm. Bring your friends and join in the fun every Wednesday afternoon in the Clubhouse. BYO drinks.**

## THANK YOU

The MWP Board would like to thank Dan and Ginny O'Brien for their donation of a new American Flag that now flies above our clubhouse. God Bless America and Dan and Ginny O'Brien!

## In the Woods

- **Parade—Thank you to everyone who helped make the 4th of July a big success. Thank you to all of the residents who participated in the parade and stayed to party at the clubhouse and pool. It was a lot of fun!**
- **CHANGE in office hours.....Wednesday, 5:00—7:00 pm and on Thursday, 10:00 am until 4:00 pm.**
- **The Clubhouse is rented** for almost all of the weekend dates for the next couple of months. Please help by reading and completing all of the tasks on the Checklist given to residents upon rental. We are asking that pushpins and tacks be used to hang decorations. **Please do not use scotch tape or staples.**
- **Water Quality Enhancement Plan**—the Board has a approved a plan that will begin in the next couple of weeks. It includes manual removal of algae and debris in the upper pond. Enhancements to the aeration systems are also being planned. This is a three year program and we hope to see a great improvement in our waterways.
- Please NOTE our Pool, Clubhouse and the surrounding Common Property are NO SMOKING zones. No alcohol is allowed in the pool area. Cigarette butts and ash have been very noticeable in the new landscaping and on the back patio.
- Treatment of Clubhouse furnishings. The Homeowners Association has spent money on updating the Clubhouse and furnishings. When you using the clubhouse, please remember to treat everything in it with care.

## MWP National Night Out

On Tuesday, August 5, 2014 neighborhoods throughout Marion County will participate in the "31st" Annual National Night Out: America's Night Out Against Crime. National Night Out is a unique crime prevention event sponsored by the National Association of Town Watch (NATW).

National Night Out is designed to heighten crime and drug prevention awareness: generate support for and participation in local anticrime programs, such as Crimewatch groups; strengthen neighborhood spirit and police-community partnerships and send a message to criminals letting them know that neighborhoods are organized and fighting back.

**Meridian Woods Park will begin their event at 5:30 pm in the clubhouse. Join us for supper! The walk will start at 7:00 pm. If you have any questions, please contact Paula Barnes at 902-5048 or [pdbarnes@comcast.net](mailto:pdbarnes@comcast.net)**

### The Month of July

- Remove annuals with stunted or unusual color; these are usually virus infected and the disease can spread to neighboring healthy plants
- To control disease on fruit trees, maintain a summer spray schedule
- Clean hummingbird feeders filled with nectar solution regularly to ward off mold and bacteria
- Consider drip irrigation and/or soaker hoses for watering in the flowerbed and vegetable garden
- Bats help control mosquitoes; attract these friendly mammals with bat houses
- Harvest veggies as soon as they're ripe to encourage additional production
- Sharp mower blades prevent leaf blade damage and lawn stress
- Prevent diseases on susceptible rose varieties: apply fungicide every 7-10 days
- Lanky annuals need your help! Pinch them back now to encourage bushy growth and more flowers.
