Yoga

Tuesdays 7pm

Zumba

Sundays 7pm

In the Woods

-Please keep an eye out for kids as you are driving through the neighborhood. They will be out and about with the warmer weather and school will be out soon.

-The recycling bins are being removed.

-Reminder that the trash dumpster is for Clubhouse and pool use only.

-The signs on the dumpsters were not put up by anyone associated with the Board. We ask that everyone refrains from making any changes or modifications such as this to any clubhouse or neighborhood property.

-The parking lot of Beck Auto at Edgewood & Madison has bins for all recycling.

-The sharing shelf will be open every other Tuesday 10am-12pm, Monday 5-8pm and Friday 9-3pm

BIG THANKS

Thanks to Bill Kamradt for replacing the deteriorated Meridian Woods sign at Yellowstone & Banta, masterfully done!

Meridian Woods Marlins

Looking for a great summer activity for your kids? A way to keep your kids active and have fun with friends? The MWP Marlins Swim Team is a recreational program for swimmers 5-17 years old. The swimmers participate in 8 competitive dual meets and a conference meet. Our season begins June 1st and ends July 25th. The team practices each weekday morning with age group practices starting at 9am and lasting 45-60 minutes.

Come see us the first week of practice to register or contact the team at mwpmarlins@gmail.com for questions and more information.

Bridge-Monday 5pm Lessons
May 20 & June 17 large group Bridge \$2

MWP Lake Committee

May 6, 2015, a group of MWP resident met to form a committee to monitor the condition of the lake and canals (waterways) and report our findings to the MWP board.

At our initial meeting we discussed:

1. The feasibility of installing an unlit fountain on the lake.
2. Frequency of chemical treatments of waterways.
3. Absence of a launching area for small boats treating the waterways.

After discussing the above with multiple Aquatic Treatment companies, including our current service provider, Aquatic Services of Indiana, we concluded:

1. Installation of a fountain would cost between four and ten thousand dollars. A fountain moves water but does not destroy the algae and weeds floating and below the surface of the water. Only chemical treatment solves those problems. All companies use EPA approved products and the products do NOT harm fish. A fountain is not feasible at this time.
2. Board re-assess our current contract with Aquatic Services of Indiana. Current contract specifies treatment of waterways every two weeks. Consider weekly treatment when algae and weeds persist.
3. Construct a ramp or area for Aquatic companies to lower a boat for treatment of waterways. Difficulty in putting their boat into our water has been an ongoing complaint and may result in added contract fees or refusal to service our area.

The goal of this committee is to help maintain and improve our lake and canals. If other homeowners would like to join our committee or attend our meetings please contact me. Thank You.
