Neighborhood News

Animal Control - At the last board meeting, we had a representative from Animal Control share some information. Here is a brief summary:

- Call 911 if bit by a roaming animal or if an aggressive dog is loose.
- Call non-emergency/mayor's action line if not in immediate danger.
- A citation can only take place if someone is willing to testify that the dog was loose, (remaining anonymous doesn't do much good for repeat offenders.)
- Take a picture with date stamp if possible.

Thanks to Paula Barnes for her help in this matter!

Burning - There has been some discussion around the neighborhood regarding open burning. These are the regulations.

Marion County residents are allowed to burn only dried twigs, limbs and branches from their own property, if they follow these requirements:

Maintain a means to extinguish the fire at all times, use a non-combustible container with a ventilated mesh covering, burn only between 10am and 3pm, place container at least 15 feet from any structure, trees, or objects that may catch fire, attend the fire at all times, AND do not cause a nuisance

Open Burning types allowed include:

Cooking fires such as BBQ grills, campfires, patio fire pits or chimenea, ceremonial bonfires conducted by a recognized organization, and personal comfort fires

Please be respectful and understand that neighbors may have health issues that are strongly affected by any burning.

Board Members

Unfortunately we have had two Board positions recently become open. If you are interested in being a part of our neighborhood board, please let a current board member know or call/email the office for further information. A background in finance would be beneficial for one of the openings.
